Older children of the Centre were invited for the Open Day at the Kyiv College of Water Transport. They got more information about professions they can master in the future. We hope this visit was useful for our children and will help them to choose their future careers.

AMAZING PEOPLE

Day by day we are working to bring more joy and happiness in our kids' lives. But, no matter how much we try, all this would be impossible without help of people, living next to us. Anatoliy, Volodymyr Byliak, Svitlana Malynka, Victor Malynski, Nataliia Savchenko, Liliia Bondarenko, Ashor Sarkoyan, Akopyan Ramzik and people who do not want to be named support us with clothes, food and other goods for the kids.

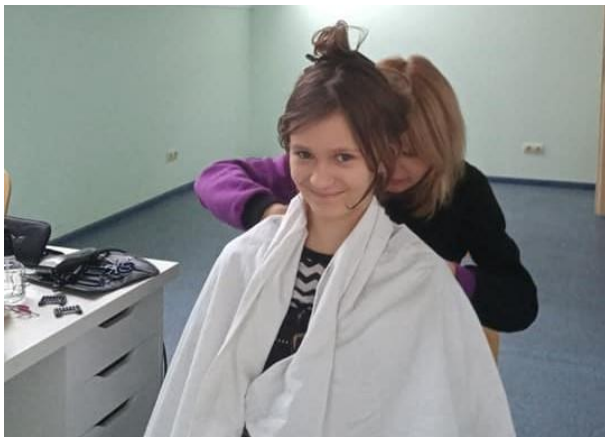

BEAUTY AVAILABLE FOR EVERYONE!

On the eve of the International Women's Day, hairdressers Alina and Anastasiya came to the Centre with an important mission to make our girls and boys more beautiful and stylish.

For more than 3 hours they had been working on the new haircuts of 22 children! The result was amazing. Children, with wide smiles on their faces, seemed more confident and happy. We have seen once again that beauty is a power!

PAPER DISCO

The day of March 6th became an official day of freedom and naughtiness for our children! Thanks to our friends from Taekwondo sports section and Yevgeniia Vaskonian, owner of the event company «Creative show» the kids enjoyed a Paper Disco. Rock music, bright confetti and spirit of freedom made this day!

We thank "Barbecue House" for delicious B-B-Q our children tasted after fiery dancing.
